EB-5 PROGRAM

The EB 5 program for lawful permanent residence is currently administrated by the USCIS. The program has concurrent goals of Immigration to the U.S. through qualified investment into a commercial enterprise and job creation for U.S. citizens and lawful residents.

In order for an Immigrant Investor to receive his/her Resident Card through the EB-5 program, it must be clearly established that the pre-requisite requirements are met:

- ⌚ A new commercial enterprise has been established.**
- ⌚ The requisite Minimum \$500k-\$1.0M has been invested into the commercial enterprise.**
- ⌚ The Immigrant Investor has demonstrated that the capital investment funds have been obtained legally.**
- ⌚ A minimum of 10 full time employment positions must be established per Immigrant/Investor within 2 Years of I-526 approval.**

The EB-5 program for the United States is the fastest Immigration program worldwide. It provides permanent access to the United States for your entire family.

Applying for a US permanent residence card is a process that requires you to rely on consultants, attorneys and staff personnel to prepare all the documentation. Our experience will allow you a smooth transition in completing the process. Starting with the actual investment, to the process of your permanent visa and ultimately to the citizenship process, if desired.

The American EB-5 process is now the most readily available and desirable program in the WORLD. One of our TEAM MEMBERS would be glad to assist you in answering any questions you may have. Please feel free to contact us with any questions.

The team will assist you through each part of the EB-5 process from Inception to Completion!

AMERICAN EB-5 FLOW CHART

REGIONAL CENTER

The TEAM goal is to provide you, as the Investor, Attorney or Consultant, the information necessary to answer the many questions you will encounter on a frequent basis. Our dedicated and experienced TEAM will provide answers to all your questions.

Some of our services are, but not limited to: Business Services, Project or Business Sourcing, Relocation, Banking Services, Escrow Services, International Banking Recommendations, Document Preparation, Business Plans, Eco Metric Analysis, Limited Partnership Agreements, Private Placement Memorandums, Immigration Services, Consular Interview and I-485, I-526 and I-829 Processing.

Our professional TEAM consists of economists and expert analysts to help provide proper job count, attorneys to provide consistent, accurate answers and preparation of all documents, business plan writers and multilingual paralegal support staff among the other complex steps and personnel required for a successful application.

The U.S. is a safe harbor for you, the investor/petitioners family as well as personal and business investments. Investors have constant and easy access to the United States for personal, trade and business purposes.

Permanent residents travel to the U.S. and most countries without the need of a visa. Investors may work, live or own their own business anywhere in the United States.

The cost of living in the U.S. is less than most large industrial nations. Consumer goods, services, and housing are significantly less expensive than comparable services and goods in most other countries.

The U.S. also provides many financial and educational entitlements and benefits such as public schools, health and medical attention, social security, and higher education.
